

PWRR Association

Concept of Operations 2020

Intent: Support all our veterans and families by 3Cs effort and continue growth as a leading, compliant regimental association.

How: Achieved via 5 methods:

1. Ambushes. Our lifeblood: easy to run, no-cost gatherings.
2. Volunteer Schemes:
 - a. Ambush Leaders. Junior Comd role - one per major town/city/London area, remit is one per month or quarter, cheap good pub near a station/transport.
 - b. Mentors. For leavers/those-in-need, we must attract good leaders to do small time-scale, high impact advisor role.
3. Fishing & Healthy Life. Keep healthy team spirit going via www.pwrrtigers.com/healthy-tiger (& fat to fit is good on FB) and a fishing hobby option especially for our junior element. [=Get in green kit outdoors & chat over brews/refreshments.]
4. Fundraising. One scheme per county: scale optional: e.g. all join in a local organised 3km run (so no admin) - something for veterans and families to do together.
5. Forebear comradeship: Share #1-4 above + show our genuine care and have an ear to their views, especially elderly warriors.

Main Effort: Identify & support our veterans experiencing post operational tour distress.
