

PWRR ASSOCIATION VOLUNTEER FACT SHEET

By Chris Parker, Chairman PWRRA

In our infantry regiment we are *'in it for life'* - especially for our commissioned officers - and even after death our funerals are helped and attended by your Association comrades. Volunteering in the PWRR Association since inception has seen (so far) only 12 hard-working veterans (mostly non-commissioned) from about 10,000 badged Tigers. All Tigers care so let us help to dispel any myths holding you back:

1. Time is really not an issue (see below).
2. You can do most roles sat in an armchair on your smartphone.
3. You can do as much as you can or delay a week or two or ask RHQ to help.
4. RHQ has paid staff to assist our welfare cases, etc. in working hours.
5. If you struggle due to life / work, just tell someone and another helps do your stag/role. Easy.
6. Everyone in the 'lads' are notably grateful that you stood up for them.

Help make our 3Cs work for those less successful than you are; our volunteers = the 3Cs.

Roles in ascending order of time needed: [Vacancies in all but especially 1&2]

1. **Ambush Leader:** A (very easy) 'organise a pub ambush on Facebook' each month or quarterly in your local town/city. 1-3 hours a month maximum.
2. **Mentor:** On call to use your experience in life / work to help Tigers in transition ('leavers') and veterans who lack your skill and need advice. Phone calls – easy.
3. **County Branch Roles:** 2-8 hours a month to coordinate meets, ambushes, special events. [Chairman*, Sec, Treasurer, Social, Standard Bearer]
4. **Association Roles:** Varies but often a few half-days a month, some travel (reimbursable if authorised by RHQ). [Chairman*, County Colonels*, Comms Officer*, Mental Health Officer*]

Note:

The PWRR Council voted in Nov 2019 to reward key PWRRA volunteers in starred (*) roles to a free ticket to either the OC Dinner or AvN Rugby (for non-commissioned volunteers).
